**At United Nations University
Tokyo, Japan
Feb 2nd and 3rd, 2009**

Personal Health Symposium

Personal Health Symposium was co-hosted by Tsukuba University, Medical Policy Institute, Japan, Continua Health Alliance and as a member of Continua Health Alliance, A&D Medical had participated to the event. As well as having a joint device demonstration using Continua Guideline, Mr.Eto from A&D had an important role as one of panelist for Panel Discussion for Innovation for Wellness and Prevention.

Continua Health Alliance

Continua Health Alliance is a non-profit, open industry coalition of the finest healthcare and technology companies joining together in collaboration to improve the quality of personal healthcare. With more than 180 member companies around the world, Continua is dedicated to establishing a system of interoperable personal health solutions with the knowledge that extending those solutions into the home fosters independence, empowers individuals and provides the opportunity for truly personalized health and wellness management.
